HERO'S AWARD

YEAR: 2017

NAME OF LEARNER:

NOMINATED BY:

MONTH: MARCH

Susan Ndlevu

MARILIZE, JILLIAN, SHIRLEY

REASON: "HERO!"

Susan Ndlevu comes to work every day to make food for all of our children. She has to arrive early and work hard, but she is never grumpy. She makes every meal with love, and her food is very tasty, so tasty that many learners come back for seconds.

She knows every learner by name and gets to know the learners circumstances. She is, therefore, able to identify learners who are in need of extra help.

She even takes the extra food and hands it out to people who have nothing.

Susan, thank you for everything you do. You are a hero!
